

March 21, 2006

Mr. Alex Wu
Chairman, Founder
Chaun Choung Technology Corporation

Dear Mr. Wu,

We are honored to publicly recognize Chaun Choung Technology Corporation for winning the **2005 Preferred Quality Supplier (PQS) Award**. The PQS Award is given to suppliers who have demonstrated solid systems and processes to continuously improve in the areas of quality, cost initiatives, technology alignment, delivery and customer support. Your commitment to establish systems and processes to continuously improve this past year has contributed to Intel's success.

We celebrate your achievements at the 2005 SCQI Program Awards Banquet and look forward to your continued support.

Congratulations,
